Ashamed of his monstrous form...

...the Beast concealed himself inside his castle, with a magic mirror as his only window to the outside world. The rose she had offered was truly an enchanted rose, which would bloom until his twenty-first year. If he could learn to love another, ...then the spell would be broken. and earn her love in return by the time the last petal fell... If not, he would be doomed to remain a beast for all time. As the years passed, he fell into despair, and lost all hope... ...for who could ever learn to love a beast?
